Jun 19, 2020 Review: On my previous test with Photoshop CC (13.2.2) there was a problem with the serial number of Adobe Acrobat DC, but that was a very long time ago. So I took a chance and downloaded and installed Adobe Acrobat DC.. In one other web-site, the only way I found to acquire Adobe Acrobat Pro DC was to pay for a complete version, of course, which it's still within the scope of this review. At the least, you can test the free trial, which, for the moment, is released as an update for the free Adobe Reader DC (the basic edition). As it is by Adobe, it's probably more reliable than not: the system will not ask you to "update", "preview" or "activate" the software, but you can check if the Adobe Acrobat Pro DC update is indeed a free version of this application.
