THIS APP IS NO LONGER SUPPORTED. XenArmor Social Media Blocker is a powerful and extremely simple web Typing the alphabet from the top of your head is an extremely challenging activity, but it turns out that you are not alone in this. Every single day, millions of people from all over the world are writing a text from memory. What's more, some of them are quite successful in it! Here's our list of top 10 people who are able to remember the entire alphabet without a single mistake.

10. Carrie Underwood Carrie Underwood is a singer from the US, who

had her big break in 1996. Since then, she has released several albums, including her latest hit, *Blown Away*. As you can see, the country music singer is very popular in America. She has so many fans that she even has her own fanclub.

9. Leonardo DiCaprio Leonardo DiCaprio is a famous actor, who's considered one of the best actors of all time. He is famous for his acting in several movies such as *Titanic*, *Once Upon a Time in America*, *Gangs of New York*, and *Shutter Island*. During one of his performances, he memorized the entire alphabet.

8. Shana Crooks Shana Crooks is an artist from the US. She has been practicing memory tricks since she

was a kid. Now she has written a book called *The Wisdom of WRITING from MEMORY: Improve your Writing, Memory, and Concentration*. 7. Elmo Shazam Elmo Shazam is an actor and comedian from the US. He is a cast member of the Muppets and he has his own TV show. He has been able to memorize the entire alphabet since he was a kid. 6. Mr. Bean Mr. Bean is an actor and comedian from the UK. In fact, he is probably the most famous comedian of all time. Many of his sketches and humor routines are still played and shown to the public even today. 5. Kelly Clarkson Kelly Clarkson is an American singer. She's best known

for her song "Behind These Hazel Eyes", "The Donut Song", "Because of You", and her latest hit "Stronger". 4. Masha Butuzova Masha Butuzova is a Russian artist. She can remember the entire alphabet by heart thanks to her ability to memorize things easily and quickly. 3. Dorte Scheie

What's New In?
