What's New In?

Create and edit drawings using an intuitive new design tool. Create, modify, and add comments to your drawings directly from a browser or a third-party application that integrates with AutoCAD. (video: 2:27 min.) Import, edit, and annotate large drawings. Easily edit a drawing that is bigger than your computer's RAM, and annotate your drawing with notes, arrows, and text. (video: 1:12 min.) Markup Assist lets you switch from drawing to markup views and back effortlessly. Place markers and labels on your drawings in just a few clicks. (video: 2:17 min.) Geometry and Layout: Move and copy features to different drawings in just one step. For faster tasks, use the tool buttons directly on the interface. (video: 3:26 min.) Use the new advanced geometry tools to draft 3D models, build your own furniture models, and create special 3D features like cabriolets and diagonals. (video: 2:03 min.) Clip features to a specific surface, an edge, a shape, or an object. Perform advanced geometric tasks more efficiently. (video: 1:27 min.) Collapse and expand the hierarchy of drawings. Quickly reduce or expand the visibility of multiple drawings. (video: 2:30 min.) Create and edit your own custom layer colors. Choose any layer color and specify any solid, gradient, or pattern, with full RGB or HSL control. Use it to make your drawings more readable and consistent. (video: 1:45 min.) Measurement and Quantity: Count, measure, and calculate quickly and easily. Use the commands to easily measure an arc, a circular arc, or a polar angle. Measure linear distances, angles, and distances between objects. (video: 3:00 min.) Calculate a value based on length, area, and volume. Use the commands to quickly compute a value, including length, area, and volume. (video: 3:19 min.) Create, edit, and maintain a text style that looks great and is easy to edit. (video: 1:29 min.) Use the new text commands to quickly create, edit, and maintain your own text styles. For example, create a title style and apply it to other drawings. (video: 2
